Re: Azima v. Dechert et al., Case No. 22-cv-08728 (PGG)(JW)

Dear Magistrate Judge Willis:

We write on behalf of Defendants Del Rosso and Vital Management (the “Vital Defendants”). We wish to invite the Court’s attention to supplemental authority relating to claims of hacking filed in *El Omari v. Dechert et al.* As reflected in the attached report and recommendation of Magistrate Judge Wang the complaint containing hacking and other allegations against Dechert and the Vital Defendants was determined to be fatally flawed, and subject to dismissal.

Respectfully submitted,

SCARBOROUGH, LLP
